Description

Keep plenty of cold beer close at hand for your thirsty customers with the True TD-50-18 horizontal 50" beer bottle cooler! With three bin dividers, you'll have space for up to 16 1/2 cases of 12 oz. bottles, or 24 cases of 12 oz. cans! It boasts a durable stainless steel countertop and lids, plus a handy removable bottle opener and cap catcher for speedy service. This True TD-50-18 horizontal bottle cooler also conveniently comes with a lock for greater security.

- Stainless steel countertop and sliding lids with laminated black vinyl front and sides; black aluminum back
- Galvanized steel interior with (3) heavy duty PVC coated adjustable bin dividers
- Forced air cooling system with guided airflow to cool top bottles first
- 1/3 hp compressor, R-134a refrigerant and foamed-in-place polyurethane insulation maintain 33 to 38 degrees Fahrenheit
